

# Introduction to the new Approved Code of Practice **Managing Health and Safety in Construction ACoP 11** **Thursday 22nd January 2015**

The Jersey Safety Council, in conjunction with the Health and Safety at Work Inspectorate, has arranged a seminar to introduce the new Approved Code of Practice, Managing Health and Safety in Construction, ACoP11.

ACoP 11, which comes into force on the 1st January 2015, provides practical guidance on how persons involved with construction projects can meet the legal duties placed on them under health and safety at work legislation. The seminar will therefore be of interest to commercial clients, designers, contractors, sub-contractors, self-employed individuals and employees involved in carrying out any construction work.

- **Venue:** Pomme D'Or Hotel
- **Date:** Thursday 22nd January 2015
- **Time:** 8am to 9am  
(bacon roll, teas and coffees from 7.45am)

Spaces will be limited to a first come first served basis so register your desire to attend as soon as possible to avoid disappointment.

Entrance will be restricted to registered persons only.

**To reserve your place please contact the Council secretary at [admin@jsc.je](mailto:admin@jsc.je) and confirm the names of those attending.**
